Dear Colleagues,

This is a follow up to the invitation for tomorrow, August 16<sup>th</sup> at 2 p.m. regarding Limetree Bay. The intent of the session is to bring both affected Headquarters and Regional Staff together to discuss the status of Limetree Bay applications and discuss any known points of sensitivity.

This would ensure affected staff have an understanding of all aspects of the application and strengthen guidance for the Administrator in responding to White House inquiries on this project.

Please confirm your attendance with Beth Soltani, my Executive Assistant and please feel free to reach out to me for any further information.

Sincerely,  
Pete
